It is wonderful to see the community coming together to support our local United Way." – Jackie Baird, Regional Manager for Cornwall Electric.

"We're incredibly grateful to the dedicated team at Cornwall Electric for organizing this event for the third consecutive year to support our local communities. In the past two years, this tournament has raised \$4,562, helping us invest in critical programs addressing our region's most urgent issues: homelessness, hunger, mental health, and poverty. It's the dedication, creativity, and generosity of fundraisers like these that allow us to expand our impact and create meaningful change across SDGCA." – Juliette Labossière, Executive Director of United Way Centraide SDG.

The event will include fourteen 40-minute games for teams to face off in two divisions on April 4 (5 p.m. – 9 p.m.) and April 5 (8 a.m. – 6 p.m.).
